SOLICITATION NO. Annual Ad FY27
Addendum No. 2

Honolulu, Hawai'i

Date: October 29, 2026

TO ALL PROSPECTIVE OFFERORS:

The following change is hereby made and incorporated as part of Solicitation No. Annual Ad FY27:

1. Delete page 13, **DIT SUBMITTAL REQUIREMENTS** section in its entirety and replace with the following:

   "**DIT SUBMITTAL REQUIREMENTS**

   Please see the Standard Submittal Requirements Section on Page 19-20. Professional licenses are not necessary unless required by Hawaii State law. ALL MATERIALS shall be emailed to: professionalservices@honolulu.gov. NO HARD COPIES, CDs, OR FACSIMILES SHALL BE ACCEPTED."

2. The following question has been received and the response is as follow:

   - **Question:** [This] question [pertains to] the Annual Notice to Providers of Professional Services, Fiscal Year 2027, Department of Information Technology, 1. Computer Science, GS-1550.

     The Standard Submittal Requirements say the project manager "shall be a professional, licensed in the State of Hawaii unless otherwise stated herein." Hawaii does not license software developers or web developers. For the DIT Computer Science categories, may the project manager qualify on education and experience without a Hawaii professional license?

     - **Response:** Please see item no. 1 of this Addendum.
