Title: FOODEX JAPAN 2020 Trade Show Coordination (FOODEX20)

Agency: Hawaii Department of Agriculture (HDOA)
Agricultural Development Division
Market Development Branch

Action: Announcement of Request for Proposals (RFP-20-01-MDB) for FOODEX JAPAN 2020 Trade Show Coordination (FOODEX20)

Description:

The General Appropriations Act (Act 5, SLH 2019) appropriated funds for the fiscal year beginning July 1, 2019 and ending June 30, 2020. Act 5 includes funds for the promotion of Hawaii agricultural products through marketing activities.

According to Euromonitor statistics, Japan has been the number one export market for Hawaii agricultural products since 2004. Hawaii producers have found that participation in Japan trade shows has led to increased sales in the Japan market. Costs to participate in an international trade show generally increase year over year, creating challenges and obstacles, especially for those Hawaii companies that are new to export. It is imperative that Hawaii agricultural products continue to be offered at trade shows in Japan to maintain and expand their market share.

To achieve this goal, the HDOA announces the availability of **\$57,000** in program funds for one project to coordinate a Hawaii Pavilion at the FOODEX JAPAN 2020 to increase export sales in the Japan market.
