ADDENDUM A

TO

EDUCATIONALLY RELATED PROFESSIONAL SERVICES

FOR THE OFFICE OF HAWAIIAN EDUCATION

PS D27-006

Written questions received by the STATE are listed below. The following response is hereby provided and incorporated into PS D27-006.

Q1: Is expertise in one or more of the Educational Service Subject Areas (Nā Hopena Aʻo (HĀ), Applied ʻIke, and/or Indigenous Research) required of all firms seeking placement on the Professional Services Qualified list? Or are these subject areas optional areas of specialization that firms should identify only if they have relevant experience and demonstrated expertise?

A1**:** Relevant experience and demonstrated expertise in at least one (1) Educational Service Subject Area is a requirement for firms seeking placement on the Professional Services Qualified list.
