Note to Offerors

The photos in this exhibit are provided for the general reference of Offerors and depict conditions observed as of the date(s) noted at each photograph. They are not part of the Contract Documents, do not necessarily depict all existing conditions, and shall not be relied upon as a complete or warranted representation of existing conditions, whether or not interior access to these facilities is provided during the pre-bid meeting/site visit. Offerors remain responsible for independently verifying all existing conditions relevant to their bid, including interior access if and when arranged.
