Services for Older Adults

ADDENDUM NO. 1

Honolulu, Hawaii

Date: OCT - 2 2026

TO ALL PROSPECTIVE OFFERORS:

1. The following questions were received and the City's responses as follows:

   Question 1: The RFB states that group transportation clients may have different pickup points but must have the same end destination and drop-off time. Would transportation of eligible, AAA-authorized clients from their residences to our own Senior Center Respite Care program site qualify under Items 37-40? We would appreciate clarification before determining whether to submit an offer for these items.

   City Response: Yes, that would be acceptable.

   Question 2: In the past, we have submitted a single Verification of Qualification form covering both Legal Services and Legal Education. Is it accurate to say we are now required to separate these services?

   City Response: Yes, one qualification form for Legal Assistance and another separate form for Legal Education will be required.

   Question 3: Please confirm that, as a nonprofit, we are not required to submit the Wage, Hours, and Working Conditions form.

   City Response: The Wage form does not apply to non-profit institutions.
